## Arvia

### A sunshine adventure

Our sunshine ship is perfect for newcomers. Brimming with brand-new features and innovation, there's plenty to explore. Whether you're trying her high-ropes adventure, swimming beneath the retractable SkyDome roof or sitting down to waffles and chicken in 6th Street Diner, you'll be bowled over by the variety on board. Why not join her in the Caribbean or Med?

## Iona

### Innovation meets exploration

New to P&O Cruises? Iona is a great choice to discover what a holiday with us is all about. The epitome of chic, Iona boasts a three-tier glass Grand Atrium offering panoramic views, beautiful backdrops for your swim at the Infinity Pool and 30 places to wine and dine. She's the dream ship to experience the Norwegian Fjords with.

## Britannia

### Contemporary glamour

Celebrating 10 years as part of the fleet, Britannia is a firm favourite, especially amongst families. She's sure to take your breath away the moment you step on board and into her Atrium. Sip a glass of fizz underneath her Star Burst sculpture, browse Market Café's brand-new menu and grab a sweet treat or visit the ELEMIS pop-up for quick-fix relaxation – the choice is yours.

## Ventura

### The fun all-rounder

Perfect for families, Ventura has so much to enjoy. Kids (and big kids) love her video game arcade; the sports arena keeps everyone happy (competitive streaks aside!) with football, basketball, tennis and archery; and the comedy and quiz nights in Havana and The Tamarind Club are fun for all the family.

## Azura

### A social paradise at sea

Also host to a whole load of family fun, Azura has something for everyone to enjoy. Think around-the-clock entertainment, dipping your toes into your choice of four swimming pools and endless activities to spark your children's creativity in The Reef... You could even get cosy underneath the night sky and catch a movie at the open-air cinema SeaScreen.

## Arcadia

### The indulgent explorer

A firm favourite with some of our long-returning guests, mid-sized Arcadia offers timeless style. From the art deco domed roof of the atrium to the glass-fronted lift bringing breathtaking views to your travel through the decks, to her sleek bars and restaurants and opulent spa, Arcadia's a worthy home for the epic World Cruises.

## Aurora

### An intimate classic

Our smallest ship, Aurora is also popular with our loyal guests. She's a stylish lady with her towering 35-foot sculpture in her atrium and artworks adding detail to each venue. The tiered decks shaping the Terrace Pool add a beautiful backdrop to your sunbathing and if the weather doesn't play ball, Crystal Pool's retractable roof comes to the rescue.

# Sail or soar

Step on board in Southampton and start your holiday, or hop on a plane and join your ship – there's benefits to both

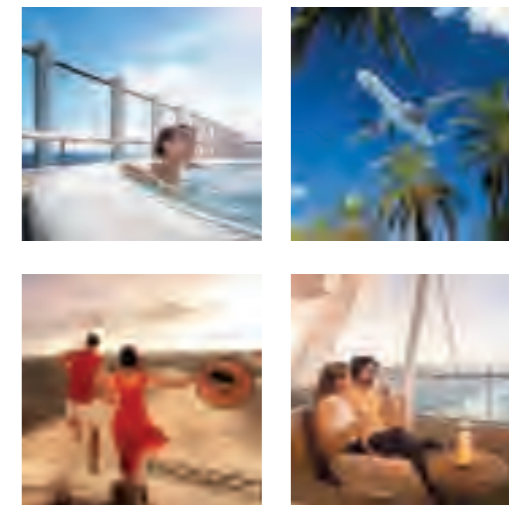

Iona in the Fjords

### Set sail from Southampton

The beauty of a cruise holiday is the effortless travel. You hand your bags over at the terminal in Southampton, go through security and that's it: your holiday's begun. No lugging bags, they'll meet you at your cabin. You're simply free to start your holiday. Maybe you want to go straight for a dip in the pool? Or order a drink as "it's 5 o'clock somewhere"?

Cruising's also perfect for people who don't like flying. From Southampton, you can explore the cities of Europe, the capitals of Scandinavia, the Norwegian Fjords, the Canary Islands, the Mediterranean coastlines, the Caribbean and North America – not to mention the myriad of destinations on our World Cruises. And you get to travel in style. With us, the journey's just as important as the destination.

We also offer limitless luggage. When you cruise from Southampton, you're free to bring as much as you'd like (although we do have laundry facilities on board too!).

### Fly-cruise holidays

There's plenty of benefits to fly-cruise holidays too. A fly-cruise is that fast forward to the sunshine. You can jet to Barbados; touch down in Tenerife; or even go further afield to places like Australia or Singapore. And when you land, your ship will be waiting, saving you the sea days and giving you more time to explore.

We make it easy. Your flights and transfers are included in your holiday price and we have representatives on hand at the airport.

Plus on selected Caribbean charter flights, we also take care of your luggage. From the moment you check your bags at your UK airport, you don't have to think of them again. You'll next see them waiting at your cabin on your ship. We take care of everything so that you can travel from plane to transfer to ship hands-free.

We also offer regional flights. We know London isn't convenient for everyone, that's why we offer flights from airports around the UK. Perfect for making your holiday even more effortless. If you're short on time, a fly-cruise holiday may be the way to go...

# Short Breaks

The perfect getaway to rest and recharge

Break up your day-to-day routine and immerse yourself in magic.

Wander iconic medieval streets, enjoy scenic walks beside picturesque canals or seek out sweet treats to savour in iconic chocolate shops and bakeries.

## Our Short Breaks top five

Sit back, relax and enjoy your 'Ticket to Ride' as you follow on the trail of The Beatles in Hamburg. Have your camera at the ready as you pass by many of the city's highlights on your way to the Indra Club, which is where the band played their first concert as 'The Beatles.' After all the exploring, you'll stop off for a bite to eat and a good ol' German beer.

Fancy becoming a Dutch cheese and wine connoisseur in Amsterdam? On a guided walk through the city you'll learn about many famous sights, before settling in for a palate-tingling tasting session at the Old Amsterdam Cheese Store. Here, you'll savour five varieties of delicious Dutch cheese, each paired with a different wine.

Take a trip to Bruges (from Zeebrugge) and explore the fairytale town with winding cobbled streets, tree-lined canals and medieval architecture. You could climb the Belfry Tower for panoramic views, then reward yourself with a traditional Belgian waffle (topped with Belgian chocolate, of course) as you take in the atmospheric market square.

If you want to do something unique in Hamburg, head to Miniatur Wunderland. This vast and incredible model railway exhibition isn't like any model train set you've seen before. Explore detailed themed worlds with moving cars, planes, ships and even wildlife – including the largest miniature airport in the world.

See the hidden gems of Guernsey's captivating coast (and get active in the process!) with a thrilling kayak experience. After a full safety briefing, you'll glide into the English Channel and begin your exploration of the coastline, peering into mysterious caves and paddling through inlets that are inaccessible by boat.

## Explore even more...

With overnight stays in Amsterdam on selected holidays, you can do so much throughout the day and evening. But with its labyrinth of streets and canals, and thousands of bars scattered across the city, how will you know where to go? That's where a local guide comes in. You'll meander the narrow streets, passing some of the city's highlights like the Portuguese synagogue, Hermitage Museum, Rembrandt Square and the opera house. You can also discover the interesting history of the Skinny Bridge and Blue Bridge and hear how Amsterdam's dazzling Canal Ring came to be. Of course, seeing the sights is thirsty work, so along the way you'll visit a traditional café to taste locally brewed beers.

# Northern European City Escapes

Characterful cities closer to home

Exploring fascinating cities and immersing yourself in whole new cultures has never been easier than on one of our Northern European City Escapes. Marvel at the mighty UNESCO-listed Speicherstadt whilst in Hamburg, try (and maybe buy!) delicious local delicacies from Rotterdam's Markthal, and seek out the medieval lanes that wind their way through Bruges.

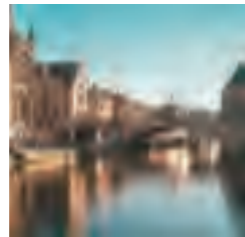

## Our Northern European City Escapes top five

Dive into a fairy-tale-inspired world at Efteling Theme Park from Rotterdam. Whether you escape dragons and ghosts on thrilling rollercoasters, make a splash on the rapids or be captivated by the stunning Aquanura water show, Efteling packs in a whirlwind of excitement for the whole family.

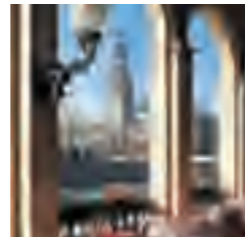

Board the mystical yellow bus in Rotterdam, where all is not as it seems... As you leave the pier, your bus will change from a vehicle with wheels to a yellow boat, driving straight into the river. Enjoy a leisurely cruise framed by stunning views of the skyline and harbour, plus the SS Rotterdam, Hotel New York and Erasmus Bridge.

From your port of Zeebrugge, take a trip to the Flemish city of Ghent, where your guide will take you on a walking tour of the medieval old town. Feel like you've stepped back in time as you wander along narrow cobbled streets past gabled houses, gothic cathedrals and the iconic Belfry Tower.

The words 'Belgian' and 'chocolate' go together like 'sweet' and 'tooth'. On a trip to beautiful Bruges, from Zeebrugge, you can make your very own delicious Belgian chocolate. Get hands on as you learn from a local professional how to make sweet treats for the folks back home (if you don't eat them first!).

Experience Hamburg's highlights on a panoramic tour. You'll take in sights like the majestic Town Hall, the red-bricked Speicherstadt (the world's largest warehouse district), the Jungfernstieg (a luxury shopping area) and the world-famous Reeperbahn – an area nicknamed as 'the mile of sin' due to its associations with the red light district.

## Explore even more...

With an overnight stay in Rotterdam on selected cruises, you've got plenty of time to explore. You can marvel at the seemingly gravity-defying Cube Houses (a Rotterdam landmark) and even step into the 'Show Cube' to get a feel for life on the edge. Perhaps you'll choose to taste your way through Markthal, a mural-adorned food hall with global flavours. Or wander Witte de Withstraat with bars, restaurants, cafés and art galleries.

You could also take the train to Amsterdam in 40 minutes. Home to many attractions, you might visit the Van Gogh museum, Anne Frank house, Royal Palace, floating flower market... the options are endless! Maybe a walking tour is the best way to get a feel for the landmarks and soak up the city scenery?

You can explore castles, Viking carvings and cobbled wynds (narrow lanes). Inland from staggering cliffs and thriving seal colonies, you can try a wee dram of local whisky and feast on fresh seafood.

How about exploring the most northerly town in Britain: Lerwick, capital of the Shetland Islands? With a 5,000-year-old history steeped in legends and myths, the town is full of character. You'll also visit an ancient castle and museum before the chance to meet Shetland's most famous residents, the Shetland ponies.

You'll learn about landmarks like the Royal Liver Building, the Georgian-era Town Hall, Walker Art Gallery, Cavern Quarter (where the Beatles famously cut their teeth), Liverpool Cathedral, Penny Lane and Royal Albert Dock – a beautiful location awash with museums, galleries, restaurants, bars and more.

# The Caribbean

—○—  
A kaleidoscope of adventures

From blissful beach days to delving deeper into each unique island, you can make your Caribbean holiday as spicy as your jerk chicken or as chilled as your cooling rum cocktail. Zip-line through lush rainforests, swim with turtles or doze under the golden rays as you swing gently on a hammock... each island gives you a new adventure every time.

## Our Caribbean top five

Kayak along the coast of St Lucia on an expedition to Pigeon Island. Take in views of emerald palms springing up from white shores as you glide gently into the 44-acre national park. Continue to explore by kayak or foot to reveal forts, ruins, walking trails and a blissful beach.

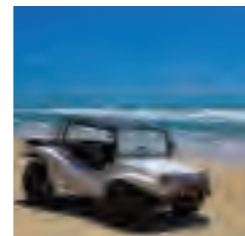

Explore the spectacular underwater world of Bonaire in a whole new way. Hop aboard a 10-metre glass-bottom boat right at the port and cruise into the spectacular underwater beauty of Bonaire's legendary National Marine Park, witnessing an exciting array of colourful reef fish, sea fans and even the occasional shark, ray, or sea turtle...

Trek along a spectacular nature trail in Tortola's Sage Mountain National Park, lined with mahogany trees and fragrant plants, before heading to Cane Garden Bay. Home to one of the island's most beautiful sandy beaches, enjoy some well-deserved relaxation in the sun or a swim in the warm azure waters of the Atlantic.

With Creole, Dutch and Spanish influences, the Curaçaoan capital city of Willemstad is a treat for the senses. Lose yourself on the streets of historic Otrobanda and Punda, before finding the perfect spot on the waterfront to sample some local Blue Curaçao liqueur as you take in the pastel-coloured merchant houses overlooking St Anna Bay.

Jump into your very own dune buggy and discover the hidden gems of Grand Turk on a fast-paced, fresh-air adventure. As you twist and turn off the beaten track, take in spectacular views of white beaches, rocky coastlines, mangroves and water canals.

## Explore even more...

With overnight stays in Antigua, Barbados or St Lucia on selected holidays, you have more time to uncover these colourful islands. As blue skies melt into orange, purple and pink, you can take your pick of evening experiences ashore...

How about a lobster dinner on a twilight cruise in Antigua? Drink in the coastline from your catamaran, tuck into a decadent meal, listen to lively Caribbean rhythms and enjoy the open bar. Or maybe a sunset boat trip to see St Lucia's world-famous, UNESCO-listed, volcanic Pitons is your idea of a perfect night? For an adventure under the water, don't miss Barbados' unique submarine experience. As you dive to depths of 46 metres, you can see marine life that only comes out at night.

# Sustainability at P&O Cruises

Taking steps to look after the world we love

At P&O Cruises, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around six key focus areas.

## Focused on the environment

### Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low carbon or zero-carbon emission technologies, developing and installing advanced air quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

### Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we're shifting how we work with our supply chain partners to reduce waste.

## Partnering with our destinations and communities

### Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

### Biodiversity and conservation

Our efforts are focused on taking responsibility to minimise our impact by implementing best practice across our operations, building partnerships with experts, and investing in programmes to support biodiversity and conservation.

## Investing in people

### Good health and well-being

Our employees are at the heart of our operation, and we've built well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

### Diversity, equity and inclusion

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

### Further information

At P&O Cruises, and with our parent company Carnival Corporation & plc, we have established a number of 2030 sustainability goals and 2050 aspirations.
